Solid Guts!

When PSI Rakesh Sarde, attached to the Pune Police Chowky (near Chaturshringi) got a frantic call from a lady, staying at a posh locale in Pune, stating that her husband is away in and his assistant Police Nark Mahesh Bhangare, PC's Arjun Bhanole and Deepal along with Police Mitra Gajbir Singh rushed to her residence.

On the way they had already called the PMD (medical officer) and an ambulance. However, events fell to the PMD (refusing to take the body, as per report, taken a few days earlier in Covid-19 positive).

Undeterred, and with what takes solid guts, they started to be sixth-floor residents and the body in a prescribed plastic body bag, two of them wearing PPE suits, and took it to Hospital for post-mortem and then on for the last rites. Khaki gear worn once again on display as Sarde puts it, "It was total team work and not once did any one of us think anything other the job done." *(Excerpt from Pune Police Chowky)*

परंतु पांढरकरांनी दिलेल्या माहितीनुसार हॉस्पिटलने तिच्यावर मोफत उपचार करून दिवशी घरीही सोडले. या महिलेच्या पतीची बोलत्यास कळाने की तो कोथपडमधील मेडिकल स्टोअर मध्ये काम करतो. परंतु नोकरी मुदत्याने त्याच्याकडे पेट्रोल काय आणतासामुद्धा पैसे नव्हते. त्यामुळे तो हॉस्पिटलमध्ये जाऊ शकला नाही

पंढारकर आणि त्यांच्या सहकाऱ्यांनी या दाम्पत्याला काही हजार रुपयांची मदत केरल एका सप्तसोनी संस्थेच्या मदतीने महिनाभराच्या रोजाची व्यवस्था केली.

समोर त्यांनी मेडिकलच्या बालकाची बोलत त्याची नोकरी घेत प्रियतुत दिती. त्याच पिसी विचरडमध्ये काम्या होती. परंतु नोकरी गेल्याने तिने आयतहलेचा प्रयत्न केला. सखेबांनी दोघांचे समुपदेशन केले. त्यांनी सगिले की दोघे आता टीक आरित आणि अधार मानावला पोलीस स्टेशनला वेडवही गेले. खरंय पोलीसांच्या कपड त्वांचा देवदूत

SAVING LIVES

When a 23-year-old desperate girl drank Goodnight, and was admitted to Minerva Hospital, the doctor rang up the Utturn Nagar Police Station. Once Sr P I Sunil Pandharkar had her checked and called up the hospital to say that he and his colleagues would pick up. However, revealed Pandharkar, the hospital treated and discharged her the same day. On checking with her husband, we were told that he worked at a medical store in Kol. He couldn't go there because of the lockdown as he didn't even have money to buy ration petrol. Pandharkar and his men lent the couple a few thousand rupees, and got an 10,000 more than a month's rations. Pandharkar also spoke to the medical shop owner to buy his job back, the girl who was working in PCMC had also lost her job, and hence the kill herself. Pandharkar successfully counselled both, and says, "They are doing fine, and to the police station to thank us." She says angels have wings, these days they wear khaki.
